AB 987 Affordable Housing Database**

In accordance with the requirements of AB 987, passed by the California State Legislature, a worksheet describing existing and substantially rehabilitated housing units development or otherwise assisted with Low- and Moderate-Income Housing Funds, including units counted to meet inclusionary and replacement housing obligations, is posted below for public review. Please be aware that this is only a listing of affordable housing that has been assisted with Low- and Moderate-Income Housing Funds; It is not a listing of currently available housing. This database is updated once annually.
